

FOR IMMEDIATE RELEASE:

Business Psychology Associates Acquires Management Consulting Company

Boise, ID- January 31, 2011- Business Psychology Associates (BPA) announced today the acquisition of Boise, Idaho based Thompson Consulting Group (TCG). The acquisition is part of BPA's ongoing strategy to expand its customer base while increasing the array of services available to its clients.

Under terms of the agreement, TCG will join BPA's Management Consulting Division. The President of TCG, Grant Thompson, will supervise the Consulting Division and the integration of current and new services. In addition, Thompson will join BPA's senior leadership team and oversee marketing and business development for the organization. Thompson, who has a Doctorate in Clinical Psychology, is a popular speaker and author of the book, "Leadership Isn't Rocket Science: Simple Strategies Used by Great Leaders."

"We are thrilled to have Grant and the TCG team on board," said BPA President Sarah Woodley. "BPA is always looking for opportunities to expand our business and enhance the services we provide employers, and this acquisition certainly accomplishes those goals." TCG brings to BPA its products and services focused primarily on leadership development including executive coaching, supervisor training, leadership assessments, and employee opinion surveys. TCG's clients include WinCo Foods, Syngenta Seeds, Scentsy, and Napa Auto Parts.

About BPA:

BPA customizes mental health programs for 380 companies and covers more than 500,000 individuals nationwide. The Idaho-based company assists in the management of Idaho's statewide substance abuse program, provides behavioral health case management services, administers Employee Assistance Programs (EAP) and provides consulting and services for health and wellness.
