

AUTHORIZATION APPROVAL AND ASAM WEBINAR SERIES

Part 1 - 9/25/18 1:00 – 2:30 MST

Part 2 - 10/9/18 1:00 – 2:30 MST

Part 3 -10/23/18 1:00 – 2:30 MST

BPA Health will be offering a free 3 part webinar series (1.5 hours each) for training on Authorization Approval and ASAM. The training will focus on obtaining authorization approval for admission and continuing care as well as using ASAM criteria in Service Plans.

Learning Objectives:

Upon completion of the workshop participant will understand:

- Funding sources and requirements
- How to receive authorization approval for admission, transfer, and continuing care
- Reasons for authorization denial
- Requirements for discharge
- Using clinical information for authorization request to build a service plan

Prerequisite for attending:

- Must have immediate access to ASAM manual 3rd edition per treatment provider, AND
- Must be a QSUDP, ISAS, QSUDPT, or have bachelor's degree in human service field

Trainers:

Doug Hulett, LPC – Doug has 18 years of co-occurring mental health and substance abuse treatment experience. Five of those years as Clinical Supervisor and Program Director of his own outpatient treatment facility. Doug has been a Clinical Quality Coordinator at BPA Health for the past 6 years.

Amanda Waddell, LMSW – Amanda has 17 years of co-occurring mental health and substance abuse experience in nearly all level of care settings and experiences as a targeted case manager. Previously she has worked in Iowa and has been a Care Manager at BPA Health for the past 5 years.
