

# CLINICAL SUPERVISION FOR COUNSELORS IN BPA HEALTH SUBSTANCE USE DISORDER (SUD) NETWORK

**Wednesday, October 3, 2018 – Blackfoot, Idaho 9:00 – 4:30**

BPA Health will be offering a free one day training on the NFATTC Model of clinical supervision and BPA Health Substance use Disorder (SUD) network requirements. The training focus is on defining the roles and goals of SUD clinical supervisors.

## **Learning Objectives:**

Upon completion of the workshop participant will have increased understanding of:

- NFATTC Model of Clinical Supervision
- competency rubric ratings
- assisting clinicians in developing professional development plans
- clinical supervision documentation
- clinical supervision requirements

## **Trainer:**

**Nancy Irvin, LMSW, ACADC** – Nancy has over 30 years' experience working in the drug and alcohol field and has been with BPA Health for the past 15 years. Nancy collaborated with IDHW and NFATTC over 10 years ago to bring training on evidence-based clinical supervision models to Idaho providers.

## **Prerequisite for attending:**

- Must meet minimum Clinical Supervisor Standards per the BPA Health SUD Provider Manual

**Note: Attendance of this training does not qualify you as a Clinical Supervisor.**

## **Location:**

Address will be listed on registration confirmation page.

## **6.0 CE Hours!**

**This course has been approved by BPA Health as a NAADAC and NBCC Approved Continuing Education Provider!** No certificates will be awarded for partial attendance.

This course has been approved by BPA Health, as a NAADAC Approved Education Provider, for 6.0 **CE hours**. NAADAC Provider #167368, BPA Health is responsible for all aspects of their programming.

BPA Health has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6910. Programs that do not qualify for NBCC credit are clearly identified. BPA Health is solely responsible for all aspects of the programs.

**Space is limited.** Complete [Registration Form](#) by **September 24, 2018.**
