

Idaho Department of Juvenile Corrections (IDJC) Funding

Providers will comply with IDAPA and individual agency addendums regarding timeliness of GAIN completion.

1. Provider agrees to accept eligible members upon referral from an IDJC representative. If provider cannot meet the requirements of the referral, the provider must promptly notify IDJC.
2. Providers who have a contract with BPA Health agrees to be linked to the IDJC funding in Web Interface Treatment System (WITS).
3. Provider will have measurable case management documented by claims in WITS and verified in annual audits.
4. Provider will ensure all service authorizations are issued by IDJC.
5. Provider will submit claims to WITS and receive reimbursement from IDJC.
6. Provider will only bill for services authorized and listed on the IDJC SUD Rate Matrix
7. Provider will comply with Follow-up Survey requirements including data entry in WITS.
8. Provider will work with probation staff on discharge and weekly status reports or reports at a frequency deemed necessary per the risk of the juvenile.
9. Provider will comply with IDJC requirements around elements such as (but not limited to) initial authorizations, reauthorizations, reassessment, admission, discharge, and billing.
10. Provider will work collaboratively with referral sources, such as court coordinators, juvenile probation officers, adult probation officers, and others on the client's treatment team.
11. Provider will engage family in clinical and case management services as clinically appropriate. All family engagement services, attempts at family engagement, or clinically based decision to not engage at present time shall be clearly documented.
12. Term. Provider agrees that this Amendment's Term shall apply consistent with the term of the current Agreement. The provider, BPA Health, or IDJC may terminate this addendum at any time in writing without terminating the provider contract in its entirety.
