

Peer and Family Support Certification

Hello! We hope you all are staying safe and healthy during these times! We are reaching out today to offer information on submitting your Work/Supervision and Volunteer verification and some helpful tips for your certifications. We are performing business as usual through COVID-19 with using extra precautions for both our staff and our Peer and Family Support Partners. At this time we are currently emailing all certs instead of mailing them, we are giving you the option to request a physical copy as well! If you have any questions please feel free to reach out to info@idahopeercert.com for further assistance!

Helpful Tips for Submitting Your Work/Volunteer and Supervision Information:

- Ensure that your supervisor who is submitting your verification has the following:
 - A supervisory capacity within the agency
 - Bachelor's degree or higher in a human services field
- Information documented for work/supervision needs to be individual for each CPSS/CFSP

Why Accurate Information is Important:

This information allows us to gauge the competency that the PSS or FSP has achieved during these hours of training in order to be considered for a one year certification!

Tips on How to Record Your Exact Hours:

- Use the verification form to keep track (this may be saved and returned to when needed)
- Coordinate with manager
- Track electronically or on paper each week
