

Success starts with a healthy home life.

That's why your school is proud to offer the *Student and Family Assistance Program*, a free and confidential resource designed to provide short-term and solution-focused assistance to students and their families.

No cost to you

Strictly confidential

For easy access to services call:

1-833-935-3816

- *Academic pressures*
- *Family issues and conflicts*
- *Alcohol and drug issues*
- *Anxiety and Depression*

Please call to get access to professional counselors, and connections to a range of other resources. Learn more at:
