

SUD Authorization Tips for Idaho Providers

BPA Health will be offering a free webinar for providers in the BPA Health Substance Use Disorder Network on documentation requirements for substance use disorder ASAM level of care authorization requests and tips on ways to streamline the process, cutting down on clarification requests and denials.

Learning Objectives:

Upon completion of the workshop participant will understand:

- Authorization process
- Submitting clinical documentation and authorization requests for admission, transfer, and continuing care
- Requirements for discharge vs transfer
- Services available
- Reasons for authorization denial
- Where to access helpful resource documents

Trainer:

Amanda Spargo, LMSW – Amanda has 20 years of co-occurring mental health and substance use treatment experience in nearly all level of care settings and experiences as a targeted case manager. She worked in Iowa and Nebraska prior to joining BPA Health as a Clinical Care Manager eight years ago.

Registration:
