

# ASSESSING YOUR AGENCY'S CO-OCCURRING CAPABILITY WEBINAR

***BPA Health will be offering a free 1 hour webinar on assessing your agency's co-occurring capability and utilizing the SAMHSA resources to implement best-practice co-occurring services for the clients you serve.***

## Learning Objectives:

Upon completion of the webinar, participants will be able to:

- Define Integrated Treatment for co-occurring disorders
- Understand the co-occurring Disorders assessment process
- Utilize SAMHSA tips for working with clients who have a co-occurring disorder
- Implement key techniques and program design for your agency
- Assess your agency's co-occurring capability

## Trainer:

**Lianna Erickson-Trembath, LCPC, ACADC** – Lianna has specialized in mental health and addictions therapy for the last 12 years and has trained numerous professionals on the importance of providing co-occurring service. Lianna joined BPA Health in 2018 where she is currently a Regional Clinical Case Manager.
