**WEBINAR**

# Supporting Parents With An LGBTQIA Child

BPA Health is offering a webinar focusing on support for parents of LGBTQ youth. This webinar is worth 1 CE for BPA Health EAP/SFAP network providers.

## LEARNING OBJECTIVES

Understanding what it means to lose a living child

- Identifying the 'loss' experienced in support systems/families
- Redefining what support looks like

Supporting the complexities of a transgender or nonbinary child

- Learning how to manage negative interactions from others
- Supporting your child in their journey of authenticity

## MEET YOUR TRAINER

Veronica Villanueva (she/her) is a LCPC, NCC. She has her MS in Marriage, Family, and Couples Counseling. She is a Queer BIPOC therapist who works with LGBTQIA persons and family members in supporting them. She also works with BIPOC individuals around areas of racial disparities. Veronica works with all members of the community as young as 11 and above.

Veronica connects with each person uniquely and provides each of them with unconditional positive regard, while joining them in their journey of authenticity and congruency.
